

## Statement

To: British Safety Industry Federation  
BSiF

Sundström Safety AB undertakes to supply only safety equipment that fully complies with the standards and regulations and claims made relating to those products. Where appropriate, this company will maintain up to date technical files and associated documentation to ensure that regulatory compliance information can be supplied upon request.

Where products are sourced from external organisations which hold technical files relating to the products being offered, this company will request confirmation that these files are current, complete, contain appropriate conformity assessment information and, where relevant, regulatory compliance certificates and will take all necessary steps to confirm the validity of the compliance documentation held by that external supplier in respect of the products being sourced.

Best regards  
Sundström Safety AB
