**Product**  
Tyvek® hood

**Model No.**  
SR 586

**Ordering No.**  
T06-0806

## Product Description

The SR 586 Tyvek® hood is designed for use together with a Sundström SR 520 Hood, SR 530 Hood, SR 570 Loose fitting face shield or SR 580 Helmet with visor, combined with a fan or the SR 507 compressed air attachment.

It protects against dust and particles as well as a minor amount of splashing and dripping.

The SR 586 is made of Tyvek® and can be used in all situations where the SR 520, SR 530, SR 570 or SR 580 can be used.

However, it does not protect against toxic, corrosive or irritating vapors or aerosols.

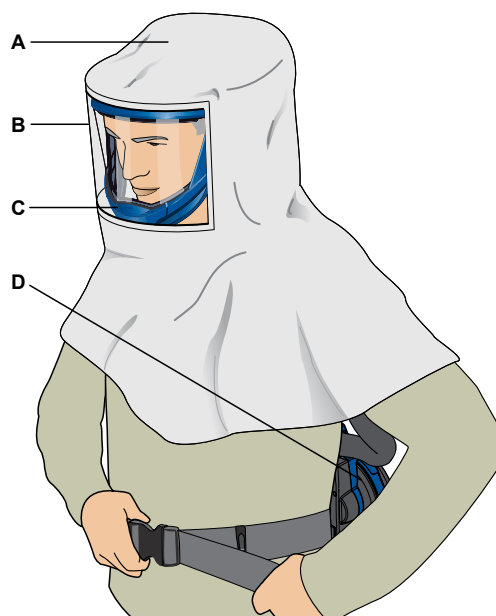

The hood is intended for short-term use and is not suitable for cleaning.

## Technical specification

### SR 586

<b>Material</b>	Tyvek®
<b>Service temperature</b>	14 to 131 °F (-10 to +55 °C), < 90 % RH
